

WORK EXPERIENCE

Aspen Music Festival & School Assistant Head Electrician, 2024-2025

Assisted in the installation and operation of a conventional and moving light package for over 400 events. Designed, programmed, and ran select productions. Supervised and trained a crew of stagehands, ensuring efficient and safe execution of high-profile orchestral and theatrical performances across three venues. Collaborated with designers to achieve artistic goals and troubleshoot technical challenges under tight deadlines.

IATSE Local 865 Overhire Electrician, 2024-2025

Performed general electrical work across several venues for corporate events, touring shows, and theatrical productions. Responsibilities included install, focus, and teardown. Often worked as the house programmer. Learned to adapt quickly to diverse production environments and timelines.

The Santa Fe Opera Electrics Apprenticeship, 2023

Collaboratively worked within a team of ten apprentices to deliver five distinct operas in an outdoor, rotating rep season. Participated in daily changeover and focus. Worked as a spotlight operator on three productions, and AHE on one. Learned to repair intelligent fixtures and construct practicals. Gained experience in rapid changeovers and troubleshooting under tight time constraints.
